Hop aboard for an exclusive trolley tour of the entire campus - old and new! During this guided ride, we'll travel throughout the property—including a close-up look at the active construction site.

As we tour, you'll hear live narration highlighting exciting progress updates. Get a firsthand view of the building's footings, which clearly outline the future shape and scope of the new space, and see the newly installed elevator shafts now rising into place.

This is a unique opportunity to witness the transformation happening in real time and gain insight into what's ahead for Porter Hills Village. Don't miss this behind-the-scenes look at the future taking shape!
